Acceptance for the LALA Leadership Camp

Hello Ximena,

CONGRATULATIONS!

We would like to welcome you to your first step into the LALA community! We are thrilled to inform you of your acceptance into the LALA Camps! We are confident that you will have a transformative experience at VLB82 - English **in English,** and it will be a valuable investment in your future. **Please make sure to read this entire document until the end, as we are sharing very important information that you must be aware of.**

Please ensure that you are available to attend all sessions during the dates and times listed below.

- Camp Dates: February 1st, 2027 - February 5th, 2027
- Virtual sessions: 11:00 AM to 1:30 PM and 4:00 PM to 7:00 PM (Brazil time) / 9:00 AM to 11:30 AM and 2:00 PM to 5:00 PM (Colombia/Peru Time) (both daily sessions are mandatory).
- In-person sessions: all day

Scholarships and Costs:

To ensure the quality of our programs and community, the total cost of the Virtual Camp is USD 500 and the total cost of the In-Person Camp is USD 1500. This covers your participation in the Camp, offers lifelong membership in our ecosystem, and includes many development opportunities such as LALA internships, career mentoring, university placement, scholarship opportunities, among many other incredible things. Watch the program videos below:

- University Placement: https://youtu.be/HIsA8CDVfO4

To bring as much diversity and equity as possible, our scholarships come from our philanthropy funds and are carefully awarded to meet students' financial needs, increasing accessibility for the LALA Community. To better understand these needs, we created a financial aid model based on your self-declared household income, which you provided in our financial aid form.

With this in mind, we are honored to offer you a scholarship in the amount of **USD 175 (one hundred seventy-five dollars)** for you to participate in the Leadership Camp. Therefore, your total amount due is **USD 325 (three hundred twenty-five dollars)**.

Even so, we understand that you may face some financial difficulties in accessing the amount to be paid for the Camp; therefore, we have created the Fundraising Initiative to help you in the process of raising money to participate in the

camps; you will find more information about this in the next paragraph.

Fundraising Initiative:

We are aware that the program investment may still be out of reach for some people, and we want to do everything possible to help you find the necessary resources to attend the camp. If you are a student who may face financial challenges to pay for the camp, you can join the LALA Fundraising Initiative by selecting this option in your Confirmation Form on Survey Monkey.

You can learn more about this initiative on our Notion page.

Confirm your participation:

Please confirm your participation in the camp by **September 28th** by accessing the Confirmation Stage on Survey Monkey: https://lala.smapply.org/ There, you must review and complete the following tasks: Confirmation Form, Contract, and Medical Form (for in-person camps only).

Save the date: Welcome Session with the LALA Admissions Team

Confirm your attendance at our "Welcome Session," an information call for all accepted students where we will share more details about the next steps and answer any questions.
